

- KEY:**
- existing plantings & trees to be retained (mostly based on Ramon Sandersons Tree Constraints Plan RSE\_3152\_TCP Rev V1)
  - existing plantings & trees to be removed to enable development
  - proposed tree planting
  - proposed wetland planting
  - proposed ornamental shrub planting
  - proposed climbing plant
  - proposed native hedging
  - proposed ornamental hedging
  - proposed amenity grass areas  
S = seeded T = turfed
  - proposed wetland meadow
  - proposed wildflower meadow
  - existing semi-improved grassland to be protected and left undisturbed
  - temporary tree protection fencing
  - proposed mixed native planting
  - 3m high paladin fence
  - 2.1m high paladin fence
  - 2.1m high Hit & Miss timber fence
  - 3m high CB timber fence
  - 1.2m high P&R timber fence (see architect's drawing for full details)
  - existing/proposed easement
  - Approximate proposed bunding - contours @ 1.0m intervals above surrounding level
  - proposals boundary
